An International Jury will be appointed in accordance with RRS 91(b). Its decisions will be final as provided in RRS 70.5.

## **14. SCORING**

### 14.1 Fleet Racing

- 14.1.1 The Low Point System of RRS Appendix A will apply. RRS B8 is deleted.
- 14.1.2 At least 3 races are required to be completed to constitute a regatta. When 5 or more opening series races have been completed, a boat's series score will be the total of her race scores excluding her worst score.
- 14.1.3 In medal races, a boat's score shall be double the number of points specified in RRS Appendix A4.1, and the score for that race shall not be excluded from the series score.
- 14.1.4 Ties in the series score between boats with different medal race point scores shall be broken in favour of the boat that scored better in the medal race. This changes RRS Appendix A8.

### 14.2 Match Racing

- 14.2.1 The scoring system of RRS Appendix C will apply.
- 14.2.2 Add RRS Appendix C10.3(b): 'When a single round robin is terminated before completion, or a multiple round robin is terminated during the first round robin, the highest score shall be determined as the average points scored per match sailed by each competitor, unless one or more competitor has completed less than one third of the scheduled matches when the entire round robin shall be disregarded and if necessary the event declared void.'

## **15. SUPPORT BOATS AND PERSONNEL**

- 15.1 All support boats shall be registered with the organizing authority and will be required to comply with local legislation and event support boat regulations. The organizing authority may refuse registrations and accept later registrations at their sole discretion.

In order to operate a fast (rubber) boat on the IJsselmeer, where the Delta Lloyd Regatta will be held, the law in The Netherlands requires that:

- a) The person driving the boat possesses a "certificate of competence" (Klein Vaarbewijs). The Organising Authority realises that it is impossible for coaches and team leaders from abroad to fulfil the requirement of acquiring a "certificate of competence", since one has to take an exam in The Netherlands in the Dutch language. The Organising Authority will therefore seek to obtain an exemption.

b) The person driving the boat possesses a registration number and form for the boat concerned.

15.2 All support boats shall clearly display the 3 letter national code of their ISAF Member National Authority at all times while afloat. The minimum height for the letters shall be 200 mm.

15.3 Support boats with team leaders, coaches and other support personnel shall stay outside areas where boats are racing from the time of the starting sequence for the first fleet to start until all boats have finished or the race committee signals a postponement, general recall or abandonment.

## **16. BERTHING**

Boats shall be kept in their assigned places in the boat park or harbour.

## **17. HAUL-OUT RESTRICTIONS**

Boats assigned places in the harbour shall not be hauled out during the regatta, except with and according to the terms of prior written permission of the Race Committee.

## **18. DIVING EQUIPMENT AND PLASTIC POOLS**

Underwater breathing apparatus and plastic pools or their equivalent shall not be used around keelboats between the preparatory signal of the first race and the end of the regatta.

## **19 RADIO COMMUNICATION**

Except in an emergency, a boat shall neither make nor receive radio transmissions, text messages or cellular phone calls while racing except in an emergency or when using equipment provided by the race committee.

## **20 PRIZES**

20.1 Medals will be awarded to the top 3 boats in each event.

20.2 For fleet racing from Friday onwards, each boat in each race of the gold fleet (or those with one event only) will score points for her nation as follows: First place 15 pts, 2nd places 14 pts. Etc.

For Women's Keelboat Match Racing: each boat who made it to the quarter final will score points for her nation as follows:

## **21 INSURANCE**

Each participating boat shall present a valid insurance certificate showing proof of third-party liability coverage of at least 1.500.000 Euros (or equivalent) per incident.

## **22 DISCLAIMER OF LIABILITY**
